FRIENDS OF SCUSSET BEACH

Volume 3, Issue 2

May/June/July/August 2011

Summer at Scusset-

After too much snow this winter and a very rainy spring, thank goodness summer is here - just waiting for the sun to come out for more than a day.

The Campground is full even without the sun, and we are looking forward to a very busy summer.

The walk way through the park assures more direct and safer access to the campground bathhouse. The campground baths have also been renovated. Better lighting, ventilation, new Corian counter tops. Nice!

Scusset Beach Friends

What's New...

In 2010, the Friends of Scusset Beach raised funds for Scusset Beach. They applied for and obtained a matching grant from the State, and the Boardwalk ramp to the Canal Access Road became a reality... a benefit to all – especially the handicapped.

This year, through the same hard work and procedures, the walk through the campground became a reality.... a great addition to the park in usefulness & beauty.

What will they accomplish next year?

- Chairman of the Board: Elise Smith**
- Vice Chairman: Paul Loiselle**
- Treasurer: Linda Porazzo**
- Assistant Treasurer: Edna Faria**
- Secretary: Pat Ridge**

The Pancake Breakfast is scheduled for September 17, 2011, at 9:00 am, at the Nature Center pavilion.

The next Friends Meeting follows the Pancake Breakfast on Saturday, September 17, 2011 at 10 am at Scusset Beach Nature Center. Hope to see you there!

They will be planning next year's projects, fundraising events, safari campouts, and getting acquainted with new members. All are welcome – members and people wanting to know more about the Scusset Beach Friends group.

Join the Scusset Friends at the Safari Camp Out September 15th – 18th. Sign up form on page 9.

Helping Hands

Scusset Beach Friends Program –

What is a Friends Group?

Friends groups are organizations dedicated to supporting specific DCR properties through volunteer work, fundraising, providing programs & events, and advocacy.

What does a Friends Group do?

Friends groups undertake a variety of activities. These can include work days at the park to help with a project, organizing fund raisers to help purchase much needed equipment or supplies, or serving as an advocate for the park when needed.

Friends groups are essential partners in protecting and enhancing DCR's parks.

More than 70 groups are working across the state to enhance our forests and parks system, including:

- Shawme-Crowell State Forest
- Nickerson State Park
- Waquoit Bay & South Cape Beach
- Myles Standish State Forest
- Forefathers Monument
- Wompatuck State Park
- Borderland State Park

Fundraising

- Pancake Breakfasts at Shawme-Crowell State Forest
- Recycle cans and bottles at Nickerson State Park
- Operate a food booth at Fall River Celebrates America
- Operate a gift shop at Borderland State Park
- Pancake Breakfasts at Scusset Beach
- Scusset Beach stickers, buttons, and key chains available at the Scusset Beach office.

Projects

- Scusset Beach Boardwalk to the Canal Access Road.
- Scusset Beach Walk in the Park – campground walk .

- 2012 – Our Friends group is still forming project plans for 2012, with advisement from John DeCosta, Scusset Beach Park Supervisor.

Other Activities

- Regular meetings at Scusset Beach throughout the camping season to formulate plans and organize and follow through on fundraising, projects and grants.
- Design and maintain friend's group website for Scusset Beach friends
- Participation in Park Serve Day – spring planting and preparing the park for the summer camping season.

Why Now?

Given the fiscal climate and the current economy, now is the perfect time for a Friends group to aid in making improvements to Scusset Beach possible. The Friends Group can help us leverage funds from the Department of Conservation and Recreation's Matching Partnership grants to improve the park, as well as assisting with projects and fund raising.

What can I do?

Your level of involvement is up to you. Some people are very active in their Friends groups; serving on the Board of Directors, attending all meetings, working on a specific committee. Other people are content to pay their membership dues knowing that they will support the park. Your level of involvement is up to each individual member.

I'm interested - So what's the plan?

And get some sand in your shoes!

A Few Words from John....

Summer is upon us once again, the campground is full, the beach has been busy (despite a rainy June) and staff is all on board.

I have received numerous comments on the new pathway from campers. Our patrons really like it. I can't thank everyone enough for their hard work on the different aspects of the path, from fund raising, to prep work, to grant writing, to preparing lunch for the work crew, to taking pictures of the big event; it really was a group effort. Thank you one and all.

As many of you may know by now, we received some good fortune in the Sum of \$120,000 to work on the campground bathroom. While this sum did not address everything that is needed, we stretched it for everything we could.

Work accomplished out of that money included the installation of electric heaters, painting the ceilings, new counter tops and plumbing on the sink walls, acid washing the shower stalls, all new interior and exterior lights on the building, and all new exterior doors. We were also able to replace the lights in the main parking lot at the beach and await the installation of new screen doors to complete the work.

Just prior to July 4th we suffered another electrical breakdown. The good news is that the Department authorized funds to finally clear the main power line eliminating that issue and a meeting was held between Operations and Engineering to review all the problems within the grid. I am awaiting news on the outcome of that review.

Lastly, at our June meeting it was voted to undertake improving the landscaping and looks of the beach buildings as our next project and planning is underway at this time.

In closing, I again want to thank everyone for all their hard work to date.

The Chairman's Corner

I want to thank everyone who came out to help with the new paths on Park Serve Day and those who came out and/or attended our May Campout to help plant flowers and shrubs throughout the park. Everyone's help was greatly appreciated especially the members of Scout Troop 1620 from Plymouth who also came to help.

Without volunteers our wonderful Scusset Beach Park would not be what it is today.

Our next meeting will be on Saturday, September 17th, at noon, following the pancake breakfast at the campground Nature Center. Everyone is welcome to join us at the meeting and the pancake breakfast. At the meeting, we will be starting to plan and put on paper next year's project. I hope everyone enjoys Scusset Beach Park this summer and is respectful of one another.

Happy camping, fishing, and beach going to all!
